Queens College

The College Hymn

Guardian bright, our Alma Mater
Molder of our hearts and minds.
Light high visions in thy daughters
And a loyalty that binds.

Gladly do we lift our voices
Pledging thee our faith and love.
Teach our minds and hearts to follow
Him who leads us from above.

Living truth is ever ringing—
Tune our ears to hear that chime.
Lasting wisdom peace is bringing—
Lead us in her way sublime.

Queens, to thee we pledge our spirits.
Ever thine, a loyal band.
Queens, thy praises we are singing.
Grateful for thy guiding hand.

A Brief History of Queens

In 1857, Queens was founded as the Charlotte Female Institute, located near the center of the city. From 1891 to 1896 the institution was called the Seminary for Girls, and upon affiliation with the Presbyterian Synod of North Carolina in 1896, it became known as the Presbyterian College for Women. This name continued until 1912, when the name changed again this time to Queens College.

The College moved in 1914 to its present site on 25 wooded acres with five buildings.

In 1930, Queens became related to the Presbyterian Synod of South Carolina through a merger with Chicora College, Columbia, South Carolina (formerly in Greenville, South Carolina), which had merged with the College for Women, Columbia, South Carolina.

The College has had 17 men and one woman serve as president since it began in 1857.

The College Today

Queens College today is a small, academically superior church-related college for the education of women. Located on a beautiful wooded campus, the college has grown from 25 acres with five buildings in 1914 to 45 acres with 23 buildings, and in terms of land, buildings and equipment, is valued at approximately $10,000,000.00.

Statement of Philosophy and Mission

Queens College is a private, Presbyterian, liberal arts college for women. It is small by design and concentrates on preparing women within a distinctive and vital learning community to meet the challenge of academic and cultural excellence.

As a college for women, Queens advocates and works towards the preparation of women for varied and changing roles in society: career and professional opportunity, marriage and family, and civic and community leadership, within a framework that stresses the joy of liberal learning and the rigor of intellectual discipline. The college seeks to give her disciplined self-confidence and sound judgment and to nurture in her qualities of leadership and concern for others.

A fundamental commitment of the college is to teach women how to learn. Queens recognizes the historical circumstances which make the present time especially opportune for the advancement of women and recognizes also that, for full liberation, women must be engaged in a serious, exciting learning experience which will develop the life of the mind and the spirit in a vitalizing and scholarly way.

Learning to learn fosters an ability to read with insight, to write with precision and to speak with clarity. Each student is taught to be intellectually alive and curious and to employ, in a disciplined and creative way, the unique potential she possesses.

Each student learns to focus on productivity both for herself and her community. Initiative, industry and self-reliance are translated from self-awareness and personal growth into the awareness of the need to serve and a concern for others. Students are encouraged to learn not only the substance of their own culture but are also taught intercultural and international understanding. Thus, their sense of community is broadened to include a global perspective.

Each student should learn to care. Unapologetically and without any attempt to coerce or indoctrinate, the value background of Queens College is the Judaeo-Christian heritage. Underlying each aspect of college life is the encouragement and cultivation of sound moral and spiritual values. These values form the basis in which the liberal arts instruction is set as Queens seeks to combine caring teachers and enlightened academic and social policies into a learning community which knows the moral ends it seeks: a just, enlightened, humane society. Into this framework the college welcomes students of all faiths and beliefs.

Queens also recognizes that the tenor of student life is as significant a factor in student development as is an excellent academic program.

Its smallness enables Queens to accentuate concern for the individual and to provide the personal and intellectual interaction, caring, fun and fellowship that are possible in such a setting. A sense of belonging and of college spirit results for faculty and students alike.

Thus, learning, caring and productivity come together into a life of meaningful wholeness. The mission of the college is to develop these aspects of mind and spirit in preparing a woman intellectually aware, academically competent, spiritually challenged and personally fulfilled for a successful future.

The members of the Queens community call on all who believe in these principles to join with them in the continuing development of the spirit and substance of this mission.

Regulations

The Honor Code

The Honor Code is one of the cherished possessions of Queens College and is of fundamental importance in the educational experience.

The Honor Code regulates all phases of college life and is binding on all members of the community. The Code is based on three basic principles:

—truthfulness at all times.

—respect for the property of others;

—and honesty in tests, examinations, term papers and all other academic assignments.

When a member of the college community signs the Honor Code, it is an acceptance of the responsibilities of the honor system, and enables that member to enjoy the freedom and privileges of living in a community governed by mutual trust and respect.

Social Regulations

Violation of the social regulations in the following section shall be cause for the violator to appear before Judicial Board.

Alcoholic Beverages

Queens College recognizes the social problems inherent in the misuse of alcohol and discourages student consumption of alcohol as being detrimental to the educational purposes of the college. It also seeks to provide a realistic social atmosphere on campus, to develop student responsibility, and to permit maximum personal freedom in matters affecting student life.

The following regulations are designed to support these objectives:

1. Students are responsible at all times for complying with North Carolina laws governing possession and use of alcohol. North Carolina law includes the following provisions:

"It shall be unlawful for any person, firm or corporation knowingly to sell or give any products with an alcohol content, including beers and wine, to any minor under 18 years of age. In like manner it is unlawful for any minor under 18 years of age to purchase or possess, or for anyone to aid or abet such minor in purchasing any such products.

In addition it is unlawful for any person, firm or corporation knowlingly to sell or give any alcoholic beverage with an alcohol content in excess of 15% to any minor under 21 years of age. This in general refers to such things as whiskey, gin, vodka and the like. In addition it is unlawful for any minor under 21 years of age to purchase or possess, or for anyone to aid or abet such minor in purchasing any such product as set forth above. It is unlawful for any person, regardless of age, to transport an opened bottle of any alcoholic beverage in a car."

Attention is directed to the fact that under the law possession of hard liquor by those under 21 years of age is illegal.

2. Beer and wine are permitted in the Student Center, Barn, and Web.

3. Permission to use beer and wine on special occasions elsewhere on campus must be requested from and authorized by the Director of Student Affairs.

4. Possession of alcoholic beverages in residence hall rooms is regu-

lated by state law.

5. Student Government Association funds may not be used to purchase alcoholic beverages.

6. Queens students are responsible for their personal conduct at all times and shall be subject to discipline, including possible suspension, for behavior which discredits the students and/or the college.

Alcoholic Beverages

(Sale)

The Executive Committee of the Board of Trustees of Queens College has approved the sale of beer and wine on the Queens College campus according to the following policy.

1. Areas

a. Beer and wine are to be sold by Saga Food Service in the Jernigan Student Center Snack Bar and may be consumed only within this room.
No alcoholic beverages may be taken into or out of this area.

b. Other areas can be temporarily designated for distribution by the administration (i.e. meetings of the Friends of the Library, etc.).

2. Guests

a. Each Queens student is allowed to have only three guests.
b. All Queens students, faculty and trustees are to present their identification card for admittance to the Snack Bar and their guests will sign the registry.
c. When the Queens student leaves the area her guests must leave also.

3. Procedure

a. The hours for beer and wine to be sold will be posted in the Hollow.
No sales of beer or wine will be allowed on Sunday or after the above closing hour. Other opening hours may be authorized by the administration for special occasions.

b. Each person who purchases beer or wine must upon request be able to provide valid identification.

c. The college and Saga Food Service must adhere to and enforce the regulations of the North Carolina State Board of Alcoholic Control.

4. Violations

Any violation of these policies will disqualify the student from using the Snack Bar for one month.

Drugs

The illicit and improper use of drugs (for example: amphetamines, barbituates, opiates, hallucinogenic drugs, and marijuana) is not in keeping with the personal welfare nor the pursuit of academic achievement, and therefore, will not be acceptable conduct by Queens students. Queens College abides by, and expects its students to abide by, the laws of the State of North Carolina and the Federal Government regarding the possession and use of drugs. The possession or use of drugs is, therefore, a violation of Judicial Board standards. Any offender will be dealt with by this Board, or the case may be referred to the Director of Student Affairs for action.

The main concern and responsibility of Queens College to the abuser of drugs is constructive rehabilitation. Resident Directors qualified in counseling, the college physician, other administrative staff members, and Open House, a 24-hour counselling service in Charlotte, are available to students who wish to discuss confidential matters concerning drugs and their use.

Firearms and Explosives

N. C. General Statute 14-269.2 Weapons on campus or other educational property:

"It shall be unlawful for any person to possess or carry, whether openly or concealed, any gun, rifle, pistol, dynamite cartridge, bomb, grenade, mine, powerful explosive as defined in G.S. 14-248.1, bowie knife, dirk, dagger, slingshot, leaded cane, switch-blade knife, blackjack, metallic knuckles or any other weapon of like kind, not used solely for instructional or school sactioned ceremonial purposes, in any public or private school building or bus, on any public or private school campus, grounds, recreation area, athletic field, or other property owned, used, or operated by any board of education, school, college, or university board of trustees or directors for the administration of any public or private educational institution."

Self-Limiting Hours

Self-limiting hours permit students to leave the residence hall after closing or to return to the residence hall between closing and 6:00 a.m. A return after 6:00 a.m. is considered an overnight.

All students, except first term freshmen, are eligible for self-limiting hours. Students under 21 years of age must have parental approval. Approval forms are available in the Office of Student Affairs.

Any student using self-limiting who is not eligible is in violation of this regulation.

Arriving after closing:
Eligible students with self-limiting hours are to go directly to the Public Safety Office when they return to campus. On the form provided, they are to sign their name, residence hall, and time of arrival. The officer on duty will admit each student to her residence hall after she has signed in and her I.D. has been checked.

Leaving after closing:
Eligible students with self-limiting hours wishing to leave the residence hall after closing will notify the officer on duty by telephone. The officer will unlock the building and escort the student to the Public Safety Office, where she will sign out.

If a Queens student has a guest staying with her in the residence hall, the guest is eligible for self-limiting hours provided her hostess has this privilege. The guest must obtain a self-limiting slip from the Resident Director to be presented to the officer upon her return to campus.

Opening and Closing Hours

Residence Halls are opened at 6:00 a.m. every morning and closed according to the following schedule:

Sunday-Thursday, 12:00 midnight

Friday and Saturday, 2:00 a.m.

Any student entering the residence hall after closing or leaving the residence hall before opening, without self-limiting privileges, is in violation of these hours. For special circumstances a student may leave early by receiving permission from the Resident Director.

Quiet Hours

Campus quiet hours are to be observed Sunday—Thursday from 11:00 p.m. through 7:00 a.m. Freshmen are to observe the additional quiet hours of Sunday-Thursday from 7:00 p.m. through 10:00 p.m.

Quiet hours are provided for the

benefit of all resident students so that studying and sleeping may be done in a student's room.
Any residence hall wishing to extend quiet hours may do so by a vote of the residence hall residents.

Overnights and Weekends

An overnight consists of an absence from campus beginning at residence hall closing and going beyond 6:00 a.m. of the following day. A weekend consists of Friday and Saturday nights.
During the week (Sunday through Thursday) all students, except first term freshmen and those who do not have self-limiting, may spend the night away from campus if they have their parents' permission.
A student must have been given self-limiting hours by her parents or be 21 years of age in order to spend week nights away from campus.
First term freshmen and upperclassmen without self-limiting hours may spend weeknights away from campus only with special permission (by phone/letter) from their parents. All students may spend an unlimited number of weekend nights off campus.

Spending the Night in Another Residence Hall

Students may spend the night in other residence halls. They are requested to notify their own Resident Director and the Resident Director where they are staying of their whereabouts in case of an emergency.

Overnight Guests

Resident students must register all overnight guests, whether they are off-campus guests or just from another residence hall on a guest check-in list provided by their Resident Director. This allows the Director to notify the guest in case of an emergency and to watch for her in case of fire, etc. An off-campus guest is expected to follow the same rules set for her Queens hostess. The Queens student will be charged with any violation her off-campus guest commits.

Open Visitation Policy

Citations will be issued to offenders for violations of parking and traffic regulations as listed below. The cost of these violations, if not paid within five days from the date of the citation, will be added to the student's account or handled as a payroll deduction for faculty and staff members.

Parking violation (except as listed below) $3.00.

Improper permit display $3.00.

Parking or driving on grass $5.00.

No registration $5.00.

Parking in fire lane (if not towed) $5.00.

All moving violations $5.00.

Citations will be issued for each twenty-four hour period a vehicle is left parked in violation of these regulations. Citations received for no registration, after a permit for the vehicle has been issued, will be charged as improper permit display for failure to display the permit. The first citation for no registration will not be charged, if the vehicle is registered, within three working days of the citation, and the citation is presented at the time of registration.

Tow Away/Immobilizer Policy

Campus Public Safety Officers and the Business Manager have the authority to move to a place of storage or immobilize, by attaching a device to prevent its removal, any vehicle parked or left standing, other than as provided for in these regulations. Any immobilized vehicle not claimed within 24 hours will be towed to a place of storage. The owner or operator of the offending vehicle shall be liable for payment of reasonable towing and storage fees, if such vehicle is removed or stored; these fees must be paid before the vehicle can be reclaimed. NOTE: Vehicles left parked in posted Fire Lanes will be towed on sight, if the owner cannot be located within ten minutes. Unregistered or unauthorized vehicles parked in restricted zones are subject to being towed.

Responsibility for Violations

Evidence that a motor vehicle was found parked or unattended in violation of these parking regulations is prima facie evidence that the vehicle was parked by:

1. The person in whose name the vehicle is registered with the college
2. If the vehicle is not registered with the college, the person in whose name the vehicle is registered with the North Carolina Department of Motor Vehicles or the corresponding agency of another state or nation.

Appeals of Citations

An Appeal Board will consider a request to void citations which are deemed to be unwarranted by the student or staff member. The Appeals Board will meet as necessary. All appeals must be made in writing within five working days from the date of the citation, and the citation must be attached to the appeal. Appeal forms may be picked up at the Public Safety Office or the College Switchboard Office located in Burwell Hall. The Traffic Appeals Board may be contacted through the Student Government Association or the Director of Public Safety.

Individuals receiving ten citations during the academic year will have their parking privileges revoked. You will be expected to pay all fines accrued and remove your car from college property immediately. Should your car be observed parked

on campus again, it will be towed off campus at the owner's expense.

Residence Hall Regulations

Residence Hall Check-In

All resident students must go through a check-in procedure the day they arrive to move into their room.

Key Deposit

Every student must rent a key to her room. The deposit is $5.00, which is collected at residence hall check-in and refunded at residence hall check-out when the key is returned. A charge of $1 is deducted from the deposit when a key has to be replaced. Each time a student must be let into her room by a residence hall staff member, a fine of 50¢ will be collected and placed in the residence hall social fund.

Check-Out

Any time a student moves out of her residence hall room for any reason, she is required to go through check-out procedures outlined by her Resident Director.

Residence Hall Rooms

Room Sign-Up

Room sign-ups for the next academic year are held every Spring. Eligibility for room sign-ups is based upon the receipt by the office of Student Affairs of a $150.00 nonrefundable reservation fee. (The $150.00 is credited toward tuition when a student registers in the fall.) An additional $50.00 room damage deposit is required when the student first applies for a residence hall room.

No student may sign up for a room until both fees have been paid and are on file with the Office of Student Affairs. For those students on financial aid, neither of these fees are covered by scholarship money.

Procedures for room sign-ups are announced to all students ahead of time.

Single Rooms

Anyone wishing to live in a single room may do so by paying an additional $100.00 per semester. If a student is in a single room for less than a full semester, the fee will be prorated at $5.50 per week.

Room and Roommate Changes

First Semester Freshmen

The first date a freshman may change rooms or roommates is stated on the Fall Semester Calendar—approximately four weeks after the beginning of classes. Freshmen and first semester transfer students will not be charged a single room fee due to roommate changes during the Fall Semester. Any other room or roommate changes must be approved by the Director of Residence Life.

Room Damages

A room damage deposit of $50.00 is required of all students when they apply to Queens for a residence hall room.

Each student's room is checked by her Resident Director after the student has checked out at the end of the year. The student will be charged for any damage to walls, floors, windows, furniture, etc. Bills will be issued to students after check-out, indicating the amount deducted from their deposit for damages.

When a student leaves Queens permanently, any damage deposit monies remaining in the student's account will be refunded to her by the Business Office.

Hall Meetings

Meetings are held regularly in each residence hall. All students should

be in attendance for announcements, discussions of regulations and problems, changes in the college calendar, and other items relevant to the individual building. Dates, times, and locations of these meetings are posted on the residence hall bulletin board.

Emergencies

In case of emergency, the Resident Director or person on duty is to call the public safety officer. Any decision to call an off-campus agency, such as the City Police or the Fire Department is to be made by one of the residence hall staff members or the officer on duty. No student is to call on her own. Public Safety is to be notified of all calls.

Fire Regulations

Appliances

In view of fire and insurance regulations, only the following electrical appliances may be used in residence hall roms:

coffee pots

electric razors

fans

popcorn poppers

hair dryers

radios

stereos

refrigerators (up to 3 cubic feet)

televisions

electric curlers

The following list of appliances may NOT be used in rooms due to the electrical wiring, electrical suply and/or fire hazard:

air conditioners

electric ovens (any type)

hot plates

refrigerators (over 3 cubic feet)

The use of sunlamps must be prescribed by a physician, and the lamp must be used and kept in the infirmary.

Candles, Incense and Paper

At no time may candles or incense be burned in any area of the residence hall. Items such as luggage and paper for paper drives must be kept out of the halls at all times

Any items which are in violation of fire and safety regulations will be subject to removal by the residence hall staff or Director of Public Safety.

Fire Drills

Every student should know all fire escape routes in her building as well as her residence hall's fire procedure. No one is excused from a fire drill if she is present in the residence hall at the time of the drill.

Holidays

The opening and closing times of the residence halls for all holidays and breaks are printed in the college calendar. Residence halls reopen on the day before classes resume. All residence halls close for holidays.

Personal Property Insurance

The College insurance program is designed to provide protection for college property and does not include the property of students or others. It is suggested that students and their parents should review their insurance to be sure that coverage is extended to include personal effects while at college.

Laundry Facilities

Each residence hall has laundry rooms containing coin-operated washing machines and dryers. Ironing boards are also available for students.

Maintenance

Any student needing repair work done in her room or residence hall is requested to report to her Residence Hall Staff.

Possessions

Any personal items belonging to students will be collected by the Resident Director if left in public areas such as halls, lounges, bathrooms, and study rooms.

All residence halls are equipped with a storage room in which trunks, luggage and other items may be kept both during the school year and during the summer months. Storage items should be tagged and clearly marked with the student's name and room number.

Bicycles

Bicycle racks are centrally located on campus. Bikes may not be stored in any residence hall except in the basement storage rooms. Bicycles may be removed from restricted areas without notification to the student.

Pets

With the exception of small fish and turtles, no pets of any kind are permitted in the residence halls at any time. Violation of this regulation will result in a fine of $10.00 for each day or any portion of a day an animal is in a residence hall. Fines are to be paid to the Resident Director in the building in which the violation occurs. An animal may be removed from a student's room without notification.

Refrigerator Rental

Any student or group of students may rent a refrigerator from the College through the Office of Student Affairs. The student signs a rental contract and pays a fee entitling her to use of the refrigerator for the entire academic year.

Search and Seizure

Entry by College residence hall staff into occupied rooms and storage rooms in residence halls, and in student cars, is divided into three categories: inspection, search and emergency.

Inspection

Inspection is entry into an occupied room in order to determine the health and safety conditions of the room, to check the physical condition of the room, to make repairs on facilities, or to perform janitorial operations. Scheduled inspections by off-campus authorities shall be preceded, if possible, by 24 hours notice to the students.

During the inspection, there will be no search of drawers, closets or personal belongings.

Search

Search is the entry into an occupied room for the purpose of investigating suspected violation of campus regulations and/or city, state, or federal law. Legal search warrants issued by state courts will be served as directed by the warrants. Every effort will be made to have a representative of the Director of Student Affairs accompany the officers and observe the search. College personnel will not enter a room for purposes of search without permission from the resident(s) or prior permission from the Director of Student Affairs or residence Hall Director. Any search must be verified in writing to the student(s) by the person receiving permission to search.

A request for permission to search may be made by the residence hall staff when reasonable cause exists to suspect that a violation is occurring or has occurred. There must also be at least two people present during the search.

A copy of the authorization form must be presented to the resident(s) or left in the room if the resident(s) are absent. The authorization form shall list reason for search and items sought. If any items are taken from the room, a signed receipt listing each item will be given to the resident(s) or left in the room.

Emergency
An emergency situation exists when the delay necessary to obtain authorization constitutes a danger to persons, property or the building itself.

Signing Out

Any student planning to be away from her residence hall for the night is requested to sign out on a list provided by the Resident Director. This request is made of each student for her own safety, and for emergency situations.

Sunbathing Facilities

A sunroof on Wallace Hall, a patio in Harris Hall, and a concourse by Long Hall provide areas for sunbathing. All sunbathing apparel is restricted to these areas on back campus.

Telephones

Campus telephones are provided in each resience hall for local and on-campus calls.

Pay telephones are available in all residence halls for long distance calls.

All students may have private telephones installed in their rooms All arrangements for telephones are to be made between the student and Southern Bell Telephone Company. The College will not accept responsibility for the installation, billing, or disconnection of telephones. The disconnection of private telephones must be completed prior to residence hall check-out at the end of the year.

Room Painting

The Residence Hall Staff and Maintenance will determine which residence hall rooms need painting over the summer. Maintenance will do all painting. The only charge to the student will be if she wants a room painted which does not need painting. In both incidences the cost to the student is $40.00.

Wooden Structure

(Loft)
Permission to build a wooden structure in the room must be requested from the Director of Residence Life. The following guidelines are required for safety reasons and to prevent damage to the walls, floor, ceiling, and furnishings of the room.

Construction of wooden items in residence hall rooms may be authorized during the academic year only under the following conditions:

1. Residents must receive written permission from the Director of Residence Life before construction may take place.

2. Both residents of the room must agree to the construction.

3. No power tools may be used inside the residence hall.

4. Residents are responsible for missing furniture and for any damage to the room, building, or furnishings, (beds, chair, desks, etc.) as a result of the construction.

5. The room furnishings; i.e., desks, dressers, chest of drawers, etc.; may not be used to support or secure any wooded structure.

6. No part of the construction may be attached, wedged, or secured in any manner to the ceiling, floor, or walls of the room. All units must be freestanding.

7. All wooden construction must be removed and the regular room furniture arranged in the same order as when the residents first moved into the room no later than commencement.

8. Any horizontal surface area exceeding 20 square feet must be at least 36 inches from the ceiling.

9. The total horizontal surface area of a structure used for sleeping purposes may not exceed more than one-half of the total floor surface.

10. Sleeping structures using 2 x 4's for vertical support must have at least two diagonal support braces attached from each vertical support post to the upper horizontal support beam or surface area.

11. No item may be constructed so as to completely obstruct any direct access to the hall door or windows so that evacuation is convenient in case of fire.
